*Numb the nasal passage
Hideous sinus drainage
Snort the fucking blow
Bloody nose
Septoplasty surgery
Brought on by inhaling
Massive amounts of coke
Snort it up, power numbs
Mind erupts*

And bones comprising the system
Include the maxillary crest
Vomer and perpendicular plate
Of the ethmoid

Prove your worth to he
Drop down to your knees
You know what has to be*

Prove to him your worth
Stimulate the stamin

Necrobestial Metrosexual Coprophilic Nihilistic Freak

*Sick they say, depraved, deranged
Drilling a hole clear to the brain
Piss straight in the open wound
Ammonia melts your brain tissue*

*I'm a necrobestial metrosexual
Coprophilic nihilistic freak
I'm the devils son
And I ate your fucking grandma*

*Chunks, smears, unrecognizable
Smashed, slashed, unidentifiable
Globs of rotted guts covered in slime
Bodies melt together in time*

*Soulless stare of the dead
Molesting severed heads
Dismembered pieces and torsos
Lumpy cellulite globules
Squeeze the corpse to burp
Tongue the gaping skull
Flend for deathly breath*
